

Position: Landscape Architect
Posting For: NAK Design Group Inc.
Type: Full Time
Posting Date: September 20, 2018
Deadline: November 20, 2018
Location: Toronto

NAK Design Group is a medium sized landscape architectural consulting firm committed to creating inspiring spaces that enrich the human experience. We believe in a collaborative design approach that is based on the principles of exploration, innovation and sustainability. Our experience in creating thoughtful and visionary 'life spaces' spans from large scale developments to public open spaces throughout the GTA and abroad with a focus on urban infill in the GTA.

We are seeking a motivated and creative landscape architect in the role of Project Manager. The successful applicant will be involved in all aspects of project management from initial master planning and coordination of approvals to the creation of construction documents.

Candidates for this full-time position should have the following:

- Professional degree in Landscape Architecture from an accredited university.
- Certification or eligibility for certification with the OALA.
- Minimum of five years experience in relevant design and project management.

In addition, candidates should possess the following skills and qualities:

- High level of proficiency in AutoCAD, InDesign, SketchUp, Photoshop and Microsoft Office. Experience with Revit will be considered an asset.
- Strong verbal and written communication skills.
- Ability to meet challenging project deadlines.
- Ability to manage staff, client relations and consultant coordination.
- Knowledge of the municipal approval process for municipalities within the GTA.
- Strong design and technical knowledge to create high quality design solutions and construction documents.
- Current driver's license.

If you see yourself in this role, we are interested in meeting you. We are centrally located in downtown Toronto, accessible by public transportation and close to all amenities. We offer a creative and positive studio environment, comprehensive health benefits and a salary commensurate with experience.

Kindly email your CV and portfolio representing a range of relevant skills and experience to the attention of Sibylle von Knobloch c/o nak@nakdesigngroup.com.

Thank you for your interest. Only applicants selected for an interview will be contacted. All applicants are guaranteed confidentiality and discretion.

Position: Landscape Architectural Technologist

Posting For: NAK Design Group Inc.

Type: Full Time

Posting Date: September 20, 2018

Deadline: November 20, 2018

Location: Toronto

NAK Design Group is a medium sized landscape architectural consulting firm committed to creating inspiring spaces that enrich the human experience. We believe in a collaborative design approach that is based on the principles of exploration, innovation and sustainability. Our experience in creating thoughtful and visionary 'life spaces' spans from large scale developments to public open spaces throughout the GTA and abroad with a focus on urban infill in the GTA.

We are currently looking for experienced, motivated individuals with a minimum two years of office experience to work closely with senior management on a variety of private and public sector landscape architecture / urban design projects. Our vibrant downtown office atmosphere offers the successful candidate opportunities to collaborate with a smaller team and participate in all aspects of design; from concept to construction.

Candidates should be graduates of an accredited post-secondary institution and have a minimum of two years experience working in a landscape architectural office.

Applicants must be proficient in the following:

- AutoCAD
- SketchUp
- Adobe Design Suite
- Microsoft Office Suite
- Written and Oral Communication Skills
- Graphic Communication Skills
- Knowledge and Experience in Technical Landscape Design (grading, planting, construction specifications and detailing)
- Demonstrated Experience in Designing Soft and Hard Landscapes Within Urban Settings

Additional Valued Skills:

- Revit / BIM Modelling Skills
- Construction Experience
- LEED Certification

If you see yourself in this role, we are interested in meeting you. We are centrally located in downtown Toronto, accessible by public transportation and close to all amenities. We offer a creative and positive studio environment, comprehensive health benefits and a salary commensurate with experience.

Kindly email your CV and portfolio representing a range of relevant skills and experience to the attention of Sibylle von Knobloch c/o nak@nakdesigngroup.com.

Portfolio submissions should demonstrate abilities in all of the above with a strong emphasis on working drawings. Please include references.

Thank you for your interest. Only applicants selected for an interview will be contacted. All applicants are guaranteed confidentiality and discretion.
